Minutes of the Fourth Meeting of the Academic Council held on 08-06-2015, Monday in the Management Conference Hall.

4.1 To consider and approve the Course Structure and Syllabi of II, III & IV B.Tech recommended by the various Boards of Studies.

- Principal presented the course structure of II, III & IV B.Tech recommended by the Boards of Studies.
- The following general suggestions are made on the course structures.
 - i) Professional Ethics and Intellectual Property Rights & Patents may be offered as a single subject instead of offering them as separate subjects and giving choice to the students to choose one of the two subjects.
 - ii) Mini Project or branch specific laboratory with 2 credits can be introduced at second or third year level in place of NSS / Games and Sports / Creative Arts.
 - iii) NSS / Games and Sports / Creative Arts can be made as mandatory non credit course spreading over four semesters from second B.Tech first semester to third B.Tech second semester.
 - iv) The course “Advanced Employability Skills” may be renamed with suitable title.

Resolution:

The Course Structures of II, III & IV B.Tech recommended by the Boards of Studies is approved with the following modifications:

- i) Making Professional Ethics and Patents as a single subject with 2 credits.
- ii) Introducing Mini Project / branch specific laboratory with 2 credits at third year level.
- iii) Renaming the course “Advanced Employability Skills” as “Employability Skills” and offering it at second year level.
- iv) Making NSS and Games and Sports / Creative Arts as mandatory non credit courses, offering at second and third year level (for few branches NSS in second year either in the first or second semesters and Sports and Games / Creative Arts in third year either in the first or second semesters and vice versa for other branches).

The approved course structures of Civil Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Electronics and Communication Engineering, Computer Science and Engineering and Information Technology are given in Annexure – A.

4.2 To consider and finalize the list of Open Electives and Self Study Courses recommended by the various Boards of Studies.

- Principal presented the list of Open Electives and Self Study Courses recommended by the Boards of Studies.

Resolution:

The list of Open Electives and Self Study Courses recommended by the Boards of Studies is approved with the following changes:

- i) The Elective courses “Business English”, “English for International ESL Examinations” and “Literature and Values” are removed from the list of Open Electives I, II & III.
- ii) The list of MOOC courses offered as self study courses can be notified one month before the commencement of fourth B.Tech second semester class work depending on the courses offered by the various reputed foreign / Indian Institutes or Universities during that academic year.
- iii) The evaluation procedures and award of grades in different MOOC courses and equivalent letter grading of the college shall also be prescribed for each MOOC course along with the notification of MOOC courses.

The approved lists of Open Electives and Self Study Courses are given in Annexure – B.

4.3 Any other matter with the permission of the chair.

- i) The members suggested the Chair Persons of Boards of Studies to thoroughly verify the Course Objectives, Course Outcomes and Syllabi of each course and make the required modifications wherever necessary.
