1. Less pass percentage in CE, EEE and ME branches

Members inquired the reasons on the less pass percentage in CE, EEE and ME branches. They also opined that the pass percentage in these branches is less during the last academic year as well. Responding to these inquiries, the Principal said that the quality of students at the entry level in these branches is significantly low when compared to the other three branches. Also, informed that the respective departments are conducting remedial classes for the slow learners and extra tutorial classes for analytical subjects. Members have suggested laying much emphasis on slow learners by giving additional assignments and tutorial questions. Finally, they asked the principal to present EAMCET ranks (i.e first and last rank) of the 2020 admitted students category-wise in the above three branches for the next meeting.

2. Discussion on high percentage of students with distinction and low percentage of students in second class.

Dr. Subba Rao garu pointed out that there is visible difference between high percentage of students at distinction level and low percentage of students in second class. He also spoke about the normal distribution curve that will be observed when a batch of students' performance is analyzed. Members opined that the evaluation process and the quality of question paper is to be improved. Responding to these points, the Controller of Examinations has given the detailed description on the evaluation procedures which are in practice. And the procedures in paper setting and percentage levels of Blooms taxonomy followed while generating the question paper were also clearly presented. Finally, members suggested providing proper guidelines to the paper setters while setting question papers. Later, Speaking on the concept of Academic Audit, Dr GVLN Somayajulu appreciated the system that is existing at GEC.

3. Discussion on less number of admissions in M.Tech program.

Members inquired the reasons on the less number of admissions in M.Tech program. Answering the question, the Principal explained the current trends existing in M.Tech admissions in premier autonomous colleges. He also mentioned that the students are not interested to join M.Tech as they are getting jobs at UG level.
