18.1 To confirm the minutes of the last Meeting of the Academic Council held on 26-03-2022.

Resolution: The Minutes of the 17th Academic Council meeting held on 26-03-2022 have been confirmed.

18.2 To present the action taken report on the minutes of the 18th Academic Council Meeting.

The following suggestions were made by the Members of the Academic Council

Agenda & Minutes	Action Taken
<p>17.1 To confirm the minutes of the last Meeting of the Academic Council held on 07-08-2021. Resolution: The Minutes of the 16th Academic Council meeting held on 07-08-2021 have been confirmed.</p>	-
<p>17.2 To present the action taken report on the minutes of the 16th Academic Council Meeting.</p>	-
<p>17.3 To review and ratify the Semester End Examination results for the academic years 2020-21 and 2021-22. Minute: The Academic Council reviewed the semester end examination results (Regular & Supplementary) of B.Tech, M.Tech and MBA for the academic years 2020-21 & 2021-22 and ratified.</p>	The results were submitted to the university for further processing.
<p>17.4 Any other item with the permission of the Chair. Minute: 1. Less pass percentage in CE, EEE and ME branches Members inquired the reasons on the less pass percentage in CE, EEE and ME branches. They also opined that the pass percentage in these branches is less during the last academic year as well. Responding to these inquiries, the Principal said that the quality of students at the entry level in these branches is significantly low when compared to the other three branches. Also, informed that the respective departments are conducting remedial classes for the slow learners and extra tutorial classes for analytical subjects. Members have suggested laying much emphasis on slow learners by giving additional assignments and tutorial questions. Finally, they asked the principal to present EAMCET ranks (i.e first and last rank) of the 2020 admitted students category-wise in the above three branches for the next meeting. 2. Discussion on high percentage of students with distinction and low percentage of students in second class. Dr. Subba Rao garu pointed out that there is visible difference between high percentage of students at distinction level and low percentage of students in second class. He also spoke about the normal distribution curve that will be observed when a batch of students' performance is analyzed. Members opined that the evaluation process and the quality of question paper is to be improved. Responding to these points, the Controller of Examinations has given the detailed description on the evaluation procedures which are in practice. And the procedures in paper setting and percentage levels of Blooms taxonomy followed while generating the question paper were also clearly presented. Finally, members suggested providing proper guidelines to the paper setters</p>	<p>1. More tutorial sessions were organized for the slow learners. 2. The details of the EAMCET ranks of the students are presented in this meeting.</p> <p>1. As per R17 regulations of GEC, a student is awarded first-class distinction if CGPA is greater than or equal to 7.50 even with supplementary appearance. The above rule is modified in R20 regulations. As per R20 regulations, a student shall be awarded first class distinction if CGPA</p>

<p>while setting question papers. Later, Speaking on the concept of Academic Audit, Dr GVLN Somayajulu appreciated the system that is existing at GEC.</p> <p>3. Discussion on less number of admissions in M.Tech program.</p> <p>Members inquired the reasons on the less number of admissions in M.Tech program. Answering the question, the Principal explained the current trends existing in M.Tech admissions in premier autonomous colleges. He also mentioned that the students are not interested to join M.Tech as they are getting jobs at UG level.</p>	<p>is greater than or equal to 7.50 without any supplementary appearance.</p> <p>Students are sensitized on significance of the post graduate degree for their carrier development.</p>

18.3 To consider and approve the Course Structures and Syllabi of III & IV B.Tech for R20 Regulations effective from the Academic year 2020-21.

Resolution: The Academic Council discussed and approved the course structures offered in R20 Regulations of III & IV B.Tech. The approved Course Structure is given as *Annexure – I* (See page No.8).

18.4 To review and ratify the Semester End Examination results for the academic year 2021-22.

The Academic Council reviewed the semester end examination results (Regular & Supplementary) of B.Tech, M.Tech and MBA from March 2022 to May 2022 for the academic year 2021-22 and ratified.

18.6 To discuss on the implementation of Challenge Valuation in R17 and R20 Regulations for UG B.Tech Programs.

The Academic Council discussed the implementation of Challenge Valuation in R17 and R20 Academic Regulations for UG B.Tech Programs. Dr. K. V. S. G. Murali Krishna, Director, Academics & Planning, JNTUK, Kakinada suggested to submit a request letter to the Affiliating University for approval. The details of challenge valuation are given below:

Challenge valuation of failed or passed subjects shall be performed as per the following norms.

- i) Students can submit the application for challenge valuation, along with the prescribed fee receipt for evaluation of his answer script(s) of theory course(s) as per the notification issued by the Controller of Examinations. The Controller of Examinations shall arrange for challenge valuation of such answer script(s).
- ii) The challenge valuation will be carried out by a three member committee comprising an external subject expert nominated by the Chief Controller of Examinations, the internal subject expert and the BoS Chairman.
- iii) After the challenge valuation, if the grade is improved or there is a change in the status i.e., fail to pass, the improved grade shall be notified, otherwise, the previous grade will remain.

18.7 Any other item with the permission of the Chair.

i) Re-registration for Failed Courses in UG B.Tech Program

A candidate shall be given one chance to re-register for a maximum of four failed courses(s) of regular B.Tech Program, where in the internal marks secured by a candidate are less than 50%. The re-registration is permitted only after completion of VIII semester as and when the subject(s) are offered. In the event of re-registration, the internal marks and end semester examination marks obtained in the previous attempt are nullified.

Dr. K. V. S. G. Murali Krishna, Director, Academics & Planning, JNTUK, Kakinada suggested to submit a request letter to the Affiliating University for approval.
